Paradise Island is a fun, special kind of bounce house that's more than just jumping around. It has two slides that kids can use with or without water. It's a good size for younger kids and fits well in most backyards. Kids can jump in the middle and slide down the sides into water if they want. We bring the hose and set everything up for you at no extra cost. You just need to have a water tap nearby.

you're on a tropical island with sharks around! This shark-themed bounce house is perfect for little ones because the slide is just the right size for them. It's got a big area for bouncing and a cool basketball hoop. With four big palm trees and a bright ocean blue color, it looks amazing. Plus, at the bottom of the slide, there's a fun surprise... a shark fin and a surfboard with a shark bite!

This is a special, one-of-a-kind inflatable that you won't find anywhere else in the Treasure Valley. It's a huge **70ft long** obstacle course adventure! Kids can tackle different obstacles, climb up a wall, slide down the first slide, bounce around in a big bounce house, and then slide down to the finish line. Plus, it's got a basketball hoop. The slide can be used dry or with water for extra summer fun!
